GRAZING LAND CONTRACTS WILL BE CANCELED.

By Associated Press.
Fort Worth, Texas, April 4.—A special to the Record from Guthrie, O. T., says:

Warren Bennett, United States deputy marshal for Osage Indian nation, announces many cattlemen will cancel their contracts with the government for grazing leases in the Osage country in view of the fact that the dipping of cattle is so precarious an operation. He says a large herd of cattle brought from Texas was damaged greatly by the dipping and the trip afterward to the Osage nation. A recent order of the bureau of animal industry makes the dipping of cattle going into the Osage country compulsory.

HANDSOME YACHT IS NOW IN PENSACOLA.

The handsome yacht, Daisy, owned by Capt. Robert Galloway, of Memphis, reached port late Monday afternoon, coming from Charlotte harbor. The Daisy is a large pleasure boat and has been out for several months with her owner on board. He left the vessel at Charlotte harbor and proceeded to Memphis, his home, several days ago, and the vessel is now on the voyage to that place.

Captain Galloway is well known in Pensacola, where he visited upon several occasions. He is the president of the Galloway Coal Co., and his head office is in Memphis.

A Dandy for Burns.

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommended it to my friends, as I am confident there is no better made. It is a dandy for burns. Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency." 25c, 50c, \$1.00 bottle.

Cure For The Blues

ONE MEDICINE THAT HAS NEVER FAILED

Health Fully Restored and the Joy of Life Regained

When a cheerful, brave, light-hearted woman is suddenly plunged into that perfection of misery, the BLUES, it is a sad picture. It is usually this way: She has been feeling "out of sorts"

for some time; head has ached and back also; has slept poorly, been quite nervous, and nearly fainted once or twice; head dizzy, and heart-beats very fast; then that bearing-down feeling, and during her menstrual period she is exceedingly despondent. Nothing pleases her. Her doctor says: "Cheer up; you have dyspepsia; you will be all right soon."

But she doesn't get "all right," and hope vanishes; then come the brooding, morbid, melancholy, overlasting BLUES.

Don't wait until your sufferings have driven you to despair, with your nerves all shattered and your courage gone, but take Lydia E. Pinkham's Vegetable Compound. See what it did for Mrs. Rosa Adams, of 819 13th Street, Louisville, Ky., niece of the late General Roger Hanson, U.S.A. She writes: "Dear Mrs. Pinkham:—

"I cannot tell you with pen and ink what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered with female troubles, extreme lassitude, 'the blues,' nervousness and that all-gone feeling. I was advised to try Lydia E. Pinkham's Vegetable Compound, and it not only cured my female derangement, but it has restored me to perfect health and strength. The buoyancy of my younger days has returned, and I do not suffer any longer with despondency, as I did before. I consider Lydia E. Pinkham's Vegetable Compound a boon to sick and suffering women."

If you have some derangement of the female organism write Mrs. Pinkham, Lynn, Mass., for advice.

THE OIL FIELDS AT CHIPLEY

DIRT ON THE NEW RAILROAD IS

ALSO FLYING AND THINGS
ARE LIVELY.

Chipley, April 4.—(Special.)—It looks a little odd to see well known capitalists from other states registering at our hotels as from "Oil Hill, Fla." There seems to be considerable activity again in the oil fields south of Chipley. Over a week ago a car load of drilling machinery with engine, etc., came here and was taken to the hills and it is reported to-day that they have struck quite a pocket of gas. We are looking any day for another car of machinery for another company. They all seem to be very sanguine.

The L. & N. agent here sold 184 excursion tickets for the Chautauqua last Saturday and 141 the Saturday before. That means over \$2,000 taken out of Chipley on account of the Chautauqua this season, as nearly 200 tickets were sold and it would average over \$2.00 apiece for each person all told.

A quarrel, a fight and a pistol shot was part of the entertainment among the hoodlums while waiting for the excursion train to come in Saturday night. It is reported that a shot was fired at a man from an ally at short range which cut and burned his clothes but without serious damage.

The B. C. & St. A. R. R. is looking for its first installment of 60 Italian laborers next Tuesday with 10 car loads of steel rails, a locomotive and construction train on Wednesday. They have received a fine safe for their new railroad offices here.

The wife of Fred Visser, the railroad construction "boss," arrived Sunday morning from Plomaton. One would think the "beef trust" and the Wall street "system" would combine and suppress Everybody's Magazine by forcing Uncle Sam to keep it out of the mails. Looks like they might accomplish it if they undertook it.

HEALTH IS YOUTH.

Disease and Sickness Bring Old Age. Herbine, taken every morning before breakfast, will keep you in robust health, fit you to ward off disease. It cures constipation, biliousness, dyspepsia, fever, skin, liver and kidney complaints. It purifies the blood and clears the complexion. Mrs. D. W. Smith, Whitney, Texas, writes April 3, 1902: "I have used Herbine and find it the best medicine for constipation and liver troubles. It does all you claim for it. I can highly recommend it." 50c a bottle.

DUKE AND DUCHESS HAVE INTERVIEW WITH POPE.

By Associated Press.
Rome, April 4.—The pope to-day received in private audience the Duke and Duchess of Connaught and their daughters, Princess Margaria and Peleria. The duke recalled his former visits to Pius IX and to Leo XIII; the pontiff thanked the duke warmly for his visit and sent his greetings to King Edward, whom he admires as a ruler.

The report that the pope has sanctioned the marriage of the king of Spain with Princess Patricia of Connaught is unfounded.
